APPLICATIONS – ISAF WORLD CHAMPIONSHIP COACH

South African Sailing requires the service of an experienced high performance coach to work with this team leading up to world championship and to accompany the team to the event in December. The successful applicant will have the designation of "Coach" for this campaign and all his/her expenses will be covered. He/she will be required to assess training programmes for each of these sailors, make training recommendations and assist with coaching where appropriate, attend the final training camp in Cape Town on 28-31 October, and travel with the team to Perth from 28 November to 19 December.

All interested coaches must please submit their applications for this post via email to belinda.hayward@vodamail.co.za with the following information:

1. Copy of SA ID and passport
2. A brief *sailing* CV detailing all international competition/experience.
3. A brief *coaching* CV detailing class and level of coaching experience ie. beginner (club level), intermediate (provincial level) and/or high performance (national/international level)
4. Your particulars (contact details, employer/study details, and physical and postal address)

Yours sincerely
